

## 7<sup>th</sup> Grade Research Project Bib Cards- RUBRIC

Name: \_\_\_\_\_

Spread your bib cards out in front of you. Double-check that you have met the minimum required information listed below. If accurate, check-off each box below.

<b>1 book source:</b> <input type="checkbox"/> Author (if available) <input type="checkbox"/> Title <input type="checkbox"/> Publisher company <input type="checkbox"/> Publisher date (year) <input type="checkbox"/> Publisher location <input type="checkbox"/> Page numbers (or N/A)	<b>1 credible online source:</b> <input type="checkbox"/> Title of article, if available <input type="checkbox"/> Author (if available) <input type="checkbox"/> Database name <input type="checkbox"/> Web URL <input type="checkbox"/> Date accessed <input type="checkbox"/> Date last updated	<b>1 additional credible source:</b> <input type="checkbox"/> (all required source citation provided)
--	---	--

NOTICE! Your teacher may choose to look at each, individual card and/or may pull out a random number (minimum 4) to determine your grade. Therefore, YOU need to look at each one to make sure that each card meets the required material below “just in case” *that’s* the card your teacher randomly pulls to grade.

Grading Criteria:	Points Possible:	Points Earned:
<b>Source #</b> is in upper right hand corner that coincides with its matching note cards that have the same source #.	0 -- none 1 – some 2 – most 3 -- all cards	
A <b>bib card</b> has been created <b>for each source</b> used for the note cards.	0 -- none 1 – some 2 – most 3 -- all cards	
All available <b>book citation</b> information has been included, and is organized in proper MLA format and order.	1 – major errors 2 – minor errors 3 – no errors	
All available <b>online citation</b> information has been included, and is organized in proper MLA format and order.	1 – major errors 2 – minor errors 3 – no errors	
Proper <b>spelling, punctuation and capitalization</b> appear correct. <i>Book titles are underlined</i> ; “Online article titles” are in quotation marks.	1 – major errors 2 – minor errors 3 – no errors	
<b>Minimally-required number</b> of note cards have been completed (minimum of 3; 1 for each source)	Yes = <input checked="" type="checkbox"/> No = REDO (-5pts)	
<b>Total points:</b>	<b>15</b>
